NIAGARA DISTILLERY

SPIRITS

CANADIAN WHISKY – 43.5% ALC/VOL

With grain & malted barley sourced from the Canadian Prairies, our traditional Rye is left to mature in once used Bourbon barrels at 132 proof for 3 years and 1 day. Our hand-crafted whisky is then individually batch-aged in lightly-charred American oak in house for a buttery mouthfeel and sweet oak finish.

SINGLE CASK WHISKY – 45% ALC/VOL

Fashioned after Kentucky's best, this bourbon-style whisky has a mash bill of 51% corn and 49% grain. Cellaring for 2 years in new American Oak barrels with a medium char, develops the underlying notes of caramel, sweet fruit and fresh oak.

MOONSHINE – 45% ALC / VOL

An outlaw spirit made from 85% corn and 15% malted barley. Also known as White Lightning in these parts, its unmistakable sweet corn flavour and mild lingering burn will get you ready to rev up your engines and do some muddin'!

VODKA – 40% ALC/VOL

Our 100% grain-based Vodka is 5x distilled and then charcoal-filtered for a smooth finish. Distilled to 96%, it is proofed down to 40% using water that has traversed the limestone torrent of Niagara Falls leading to a more complex, flavourful profile.

GIN – 40% ALC/VOL

This American-style Gin is made from corn and rye, which imparts a slightly sweeter finish. Our unique blend of 9 botanicals including juniper, citrus peel & locally sourced lavender brightens any cocktail with refreshing summer flavours!

RUM – 40% ALC/VOL

Made from sugar cane Blackstrap molasses, this light-bodied, clean-tasting white rum is allowed to rest for 1 year before bottling. Perfectly sweet and fruity, it makes for delicious tropical cocktails!

TASTING FLIGHTS
